

Louis Riel Day

MDA will be closed on Monday, February 18 in order to observe Louis Riel Day.

Deliveries and normal business hours will resume on Tuesday, February 19.

Inventory Notice

MDA will be conducting its year-end inventory count on Friday, March 1.

During this time, MDA will continue to take orders only. Some deliveries may experience a minimal delay.

We apologize for any inconvenience this may cause.

To place an order, contact:

P. 204-945-3000
mda@gov.mb.ca

\$6.20/package **Volume discount (60+ packages) \$5.68/package**

Get a Charge Out of Battery Recycling!

February 18, 2019 is **National Battery Day**, bringing awareness to battery recycling in our communities.

MDA strongly supports the Call2Recycle program. MDA collects batteries through our in-house recycling program, totaling 263 kilograms since 2014. That's the equivalent of 14 curling stones.

Call2Recycle manages Manitoba's household battery stewardship program with over 550 collection sites in Manitoba. Through the program, licensed facilities salvage metals such as nickel, iron, cadmium, lead and cobalt.

In 2017, Call2Recycle recovered approximately 92,000 kilograms of single-use and rechargeable batteries in Manitoba. That's the equivalent of 1,146 average sized Canadians.
